No.10 May 15, 2009 Platform play, at the rally in Utsunomiya

On 15 May, we started the campaign in Utsunomiya with distribution of flyers at Oyama Station, JR Utsunomiya Station and Tobu Utsunomiya Station. At the shopping street people passing by offered the highest encouragement, saying, "Don't give up!"

In the evening the rally was held at Utsunomiya Bunka Center (Culture Center), where some 300 citizens and workers came.

On behalf of the Support Association opening address was given by Ko Funada. "Condemn government-motivated oppression," he urged, "We must win the case of JRU7."

On behalf of the guests, Mr. Hiroyuki Tani, who is a member of DPJ, expressed his decision and said, "Justice will prevail. I have respect for JRU7 fighting with an unyielding spirit." In the rally, members of JREU Takasaki region gave us a platform play on JR Urawa case.
