

Nation-wide Campaign by JRU7 is now in progress

No.19 May 19-21, 2009 Four more rallies in Hokkaido

From 19 to 21 we had four more rallies in Hokkaido. On May 19 in Kushiro, on May 20 in Obihiro and Asahikawa and on May 21 in Tomakomai.

In Kushiro, the rally was held at Shimin Bunka Kaikan (Public Culture Hall) with 170 participants. Before the rally, young members of JRHU conducted an action of distribution of flyers for 5 consecutive days during Golden Week holidays in May. They handed out more than 1600 flyers to the citizens.

Rally in Obihiro was held at Tokachi Plaza with 90 people including union members, retirees and family members. On behalf of the organizing committee, Mr. Kanno, President of Obihiro branch, called for solidarity, saying, "We need to do our best to win." Brother Yamada, Brother Oma and Brother Yatsuda told about their fighting. Mr. Ichihara, a municipal assemblyman, gave us an address of encouragement. After that we distributed 500 flyers at Obihiro Station.

On May 21, the rally was held at Tomakomai Shimin Kaikan (Civic Hall) with 130 union members. The majority of the participants were young members who entered a company after JR Urawa Case occurred. Listening to Brothers of JRU7, they got angry at the court judgment and Company's disciplinary action, and made up their mind to do what they can do till June 5.
