No.21 May 23, 2009 Masaru Sato encouraged us. Rally in Hiratsuka

On May 23, before the rally, we had a street campaign in Kanagawa. At 9:00, at Yokohama Station and at 11:00, Hiratsuka Station. Our rally started at 13:30 at Hiratsuka Shoko Kaigisho (Chamber of Commerce Hall) near Hiratsuka Station with

330 participants. Mr. Okada, a municipal assemblyman of Kamakura-city kicked off the rally. On behalf of the supporters, Mr. Iinuma, General Secretary of the Support Association, Mr. Sekiguchi, a member of a prefectural assembly, and Ms. Monma, Vice-Chair of Support Society for condemned former boxer, Hakamada, made

addresses to encourage JRU7.

Brother Saito told the fact that he had been forced to make a confession by illegal investigation. Then Brother Uehara said, "I wanted Mr. Y to reflect on his lies and to be a full-fledged member of society."

Today's highlight was a lecture by Mr. Masaru Sato, an officer of the Foreign Ministry who was indicted and has been suspended from his job. He said, "You have been oppressed because your union movement is genuine. You can judge whether JRU7 are innocent or not after listening to their words. It is important to continue to wage rallies like this."
