No.23 May 24, 2009 “I’ll fight on for my children’s future”, Yamagata

On May 24 we held a rally in Yamagata prefecture. The rally titled “Achieve a Victory of JR Urawa Case” was held at Shinjo Shimin Plaza (Public Plaza) in Shinjo-city. Before the rally union members waged a week-long street campaign in Yamagata-city and Shinjo to call for support to JRU7.

On behalf of the organizing committee, Brother Ito, Chairman of JRU Yamagata Council Meeting, made an address, saying, “We need to make further effort till June 5.” One of the organizers of the Support Association, Mr. Hanaika urged each of us to tell the truth of this case to at least one friend of ours.”

Brother Yamada said, “We gave Mr. Y friendly advice without expressing anger at his verbal abuse. But this was considered to be a coercion which constituted a crime.” Brother Oguro said, “My family opposed to suit. But I told them that I had done nothing criminal. They accepted what I thought. I was dismissed after the judgment if the Tokyo District Court. I’ll never forget my vexation. I have kept fighting so far and I will continue to fight for the future of my children.”
