

Nation-wide Campaign by JRU7 is now in progress

No.28 May 28, 2009 Bro. Kato remarked in the rally of Tokai

On May 28 we had a rally in Shizuoka, which is a local area known as Hakamada Case. Brother Oma came to the rally. 60 people waged a street campaign, which included Brother Kato. He was an alleged defendant of Gamagoori Station Case of Central Japan Railway Workers' Union (JRCU). He has just appealed his sentence.

The rally was held in Nagoya-city. In the beginning, a member of JRFU led a chorus of yells. After the rally we distributed flyers around Nagoya Station. The flyers totaled 2000. We appealed to the public of Nagoya.
