Another rally was held in Kamaishi on May 14. 46 people joined the rally held at Kyoiku Kaikan (Education Hall) in the city.

The first program was watching video prepared by JREU Morioka Region Office. It showed figures of union members and supporters who have fought bravely with JRU7 since 17 July 2007 when the Tokyo District Court convicted JRU7. Then Brother Oguro, one of JRU7, talked about their fighting. He said, “We have faced grim reality. I want acquittal on this coming June 5. I’ll continue to combat attack.”

Next, newcomers gave him a cloth of “Geki” solidarity, and union members’ families handed him a thousand “Geki” string. Mr. Murakami gave him a solidarity message of “I’d like to tell the truth to as much citizens as possible. I believe your acquittal.”
