

# Nation-wide Campaign by JRU7 is now in progress

No.4 May 9, 2009 Young Unionists performed a reading in Mito.

On May 9, another rally was held at Kenmin Bunka Center in Mito, Ibaragi prefecture with 260 participants. Before opening the rally we staged a street appeal, and handed out 800 flyers to call for support from the citizens.

In the opening of the rally, union members performed a reading in front of all the participants. The story of the reading was, of course, concerning JRU7.

On behalf of JRU7, Brother Yanaji, Brother Uehara and Brother Oguro gave addresses with respect to their fighting. Participants voiced their opinions and encouraged JRU7.
